MEMORANDUM FOR:

Technical Services Division

SUBJECT:

Development of Film

1. I am forwarding herewith five cassettes of film which have been forwarded to this Agency by the Senate Internal Security Subcommittee and in which the Western Hemisphere Division has an interest. The film was confiscated from members of the Venceremos Brigade on their return from Cuba and subsequently subpoenaed by the Subcommittee. There is no external marking on the cassettes to indicate whether they are black and white or color film.

2. Per my conversation with you today, I would appreciate your developing this film and forwarding it to me or to Mr.  of the Printing Services Division, who will make three prints of each picture. If you forward the film directly to him, please give me a call to let me know it is in his hands.
